Heading South from Guildford on the A3, take the slip road immediately after the Hindhead Tunnel. Take the third exit off the roundabout, cross over the bridge to the next roundabout. Take the second exit onto the old A3 (A333). Go straight on at the Grayshott turning roundabout up to the next mini-roundabout. Turn left at the mini-roundabout then travel approximately 100 metres, passing the petrol station, then turn left into Hindhead Dental Clinic car park which is opposite Mead Road.

Heading North on the A3 from Liphook, take the slip road off the A3 just before the Hindhead Tunnel. Take the second exit off the roundabout on to the old A3 (A333) and follow as per the instructions above.

Coming from Farnham, follow the A287 all the way to Hindhead. 50 metres after Tower Road which will be on your right, turn right into Hindhead Dental Clinic's car park.

Coming from Haslemere, follow the A286 up to Hindhead. Go straight across both mini-roundabouts (where the traffic lights used to be) then travel approximately 100 metres, passing the petrol station, turn left into Hindhead Dental Clinic car park which is opposite Mead Road.

NB Please note some SatNavs will take you to the Farnham end of Tilford Road. This is not correct.
